WORDS FROM THE ASSISTANT PRINCIPAL

Spring is in the air and that means student dress is becoming more of a challenge at school. As students begin to shed their winter layers and dress for the warmer weather ahead, please remind your children of a few building expectations for appropriate school wear in effort of saving them and yourselves the hassle of receiving a dress code violation which ultimately disrupts your child's opportunity to engage in the learning process. Here at Wyoming Junior High School, we encourage students to avoid wearing clothing that is disruptive to the instructional process which may include, but is not limited to:

- Bare midriffs, tube tops, or any clothing that insufficient to conceal undergarments at all times, such as net/mesh shirts, transparent blouses, shirts, or dresses
- Pants, shorts, or jeans are to be worn at the waist making sure that no undergarments or skin is exposed
- Shorts, dresses, or skirts must extend near to the top of the knee cap or at mid-thigh in length extending clearly past the fingertips when arms are hanging naturally while standing
- Clothing that is too tight or revealing or clothing that does not completely cover undergarments. (no see-through or fishnet leggings allowed)
- Shirt necklines must be no lower than armpit level or below the collar/base of the neck and no cleavage shall be exposed
- Frayed clothing or clothing with holes that are too revealing

We have established these standards to create an atmosphere of self-respect and respect for others. In addition, it is the responsibility of our school system to prepare students for the world of work which requires appropriate dress. We appreciate your hand and continued support in upholding these values with our students. Go Wolves!

Assistant Principal
